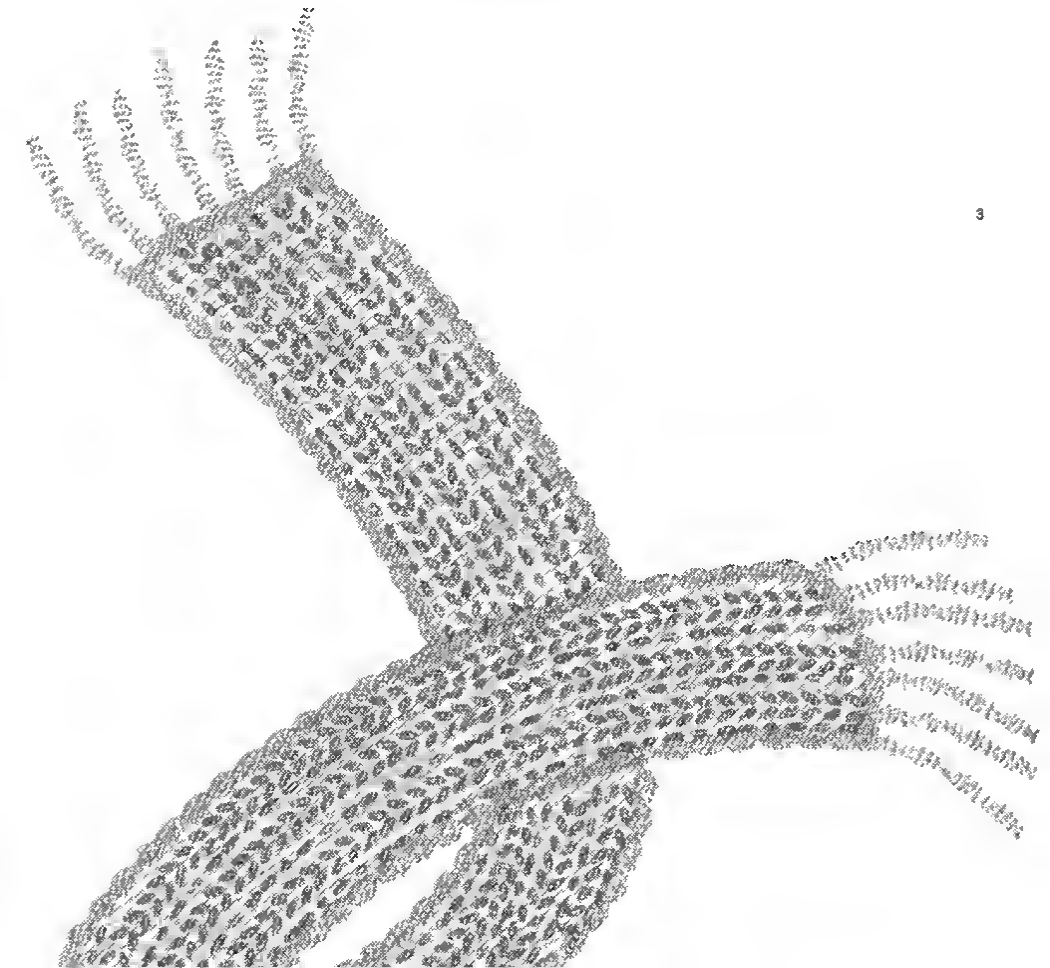
First Knitted Scarf



Hella, this is Tokumi. This is my 70th Saki doujin.
It's Bucap, and there's a little bit af Kajumamo as well. Tagether they make the Nagana quartet. There's na helping it since the four af them together is just sa cute! Just so cute!

I usually just draw the frant caver for doujin withaut cansidering which ane it'll be attached to. That's how I camplete the frant caver drawings (so that's why a doujin set in the winter might have Bucap wearing summer uniforms an the caver). But this time I drew a caver specifically far this stary. It's about scarves. Scarves are really cute, don't you think?
Wearing a scarf alang with the school uniform is super cute, don't yau think?
And since this is Bucap we're talking about, it's even cuter.

Even thaugh the title is called "First Knitted Scarf", it definitely doesn't seem like it'd be Mihoko-san's first time knitting. Moreaver, it doesn't feel like it'd be the first time Hisako-san's received a hand-knitted item either... sa I don't knaw which aspect af it is supposed to be a first.
We can just say it's the first time they're callaborating tagether, right?
But I have na idea what they're collaborating an.

Well then, if you would accampany me for a little while.

Is that what you'd call a sight for sore eyes?
EH? BUT YOU KNOW,
OUR NODOKA HAD THIS LOOK ON HER FACE LIKE SHE REALLY WANTED TO TRY ON THAT KIND OF OUTFIT.

HUH?
NO MATTER HOW YOU LOOK AT IT, THE STITCHING IS TOO EVEN.
IT DOESN'T LOOK LIKE A HAND-KNITTED ITEM AT ALL.

Hisa
YUMI-SAN, YOU'RE GIVING ME ENTIRELY TOO MUCH CREDIT!
NO, REALLY, I THINK IT'S AMAZING.
THE QUALITY IS SO NICE THAT I THINK I MIGHT WANT ONE MYSELF!

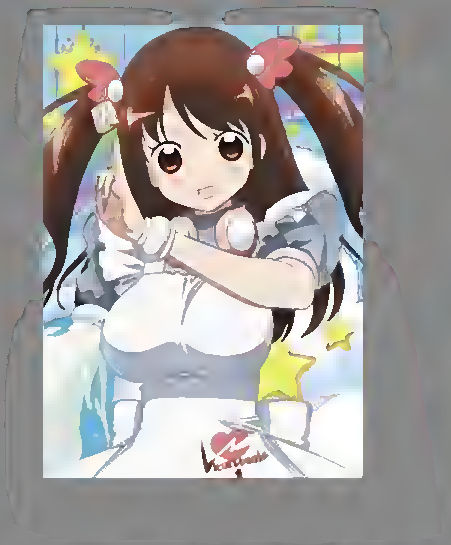
Notes

In case you were wondering, this is how Mizuhara Hayari (the pro that Hisa and Yumi were talking about) looks like:



Suddenly, the whole conversation makes a lot more sense.

But then, this is Saki we're talking about, so I'm sure those who are a bit more genre savvy kinda saw that coming.

YOU'VE THOUGHT OF GETTING A LOWERCLASS-MAN TO WEAR THE SAME.
YOU'RE THE SAME, AREN'T YOU, YUMI?
SHE-
SHE'S THE ONLY FIRST-YEAR IN THE CLUB SO THAT'S OBVIOUS, ISN'T IT?

IN YOUR MIND THAT AUTOMAT-ICALLY MEANS MOMO-CHAN?
HISA...
